Inspector App – Features

The screenshot displays the Inspector App interface. At the top, the status bar shows 'No Service', signal strength, 'A7', the time '6:31 PM', and a battery level of '66%'. Below the status bar is a header with 'Inbox' and several icons. The main content area is divided into two sections: a list of inspection tasks on the left and a map on the right. The list contains six entries, each with a unique ID, task type, and status. The map shows a street grid with a green pin labeled 'A' at the intersection of Eglinton Ave E and Finch Ave E, near Centennial Park. The bottom of the screen features a dark blue bar with the text 'Welcome' and two cloud icons.
